Story and writing: *Princess_April*

Japanese translations and cultural advisors: *VikiQ, Asuka, and Niko*. HUGE thank you to VikiQ, Asuka, and Niko for their invaluable help with this script's bilingual and bicultural aspects. I couldn't have written it without them.

TAG BREAKDOWN: *Some of my audio scripts do not follow the "listener as active participant" paradigm, and even when they do, some of the tags I call out above are in reference to the listener and some are in reference to other characters in the story (including the performer). In order to ensure clarity about specificity, and in hopes of fostering an environment of inclusiveness, the following is a breakdown of the tags in this audio that apply to the listener, and those that do not.*

TAGS THAT APPLY TO LISTENER: [F4M] [rape][CNC][creampie] – The listener is, or presents as, male and references are made to his cock. The listener grants an extreme wish for the speaker through elements of rape and CNC. The listener comes in the speaker's pussy.

TAGS THAT APPLY TO NON-LISTENER CHARACTERS: [F4M][rape][CNC][willing ignorance][extreme wish-fulfillment][hentai references][big eyes][drugs][shock collar][blackmail][humiliation][degradation][forced public urination][Japanese phrases][creampie] – The speaker MAY get in over her head in an extreme wish-fulfillment scenario facilitated by the listener. She's humiliated by being forced to urinate in public, she uses Japanese phrases from Hentai videos, she's shocked with a shock collar, blackmailed, and drugged (but not really). She also takes a creampie from the listener.

[SYNOPSIS: A woman who's a really big Hentai fan (the speaker) hires you (the listener) to give her a "real" Hentai girl experience. Not the soft and fluffy kind, but the cruel and humiliate-y kind. She's embarrassed about it, and she's scared, but she really wants to know what it's like to be mind-broken just like a Hentai girl. You make her describe what she wants, and secretly establish the rules of the game (without completely letting her in on them). She has an idea of what you might do to her and

reveals that she drank a lot of water before meeting you, indicating that she really has to pee. In the end, you (pretend to) drug her, which she believes. You fit her with a shock collar (that is much more fear play than real physical pain—though she doesn't know that) and you actually threaten to tell her father what a degenerate she is (which she believes) and you give her an “authentic” experience she won't soon forget. She's so eager to play along she's memorized random Japanese phrases that she peppers throughout the experience, and she willfully submits to the idea that this isn't role-playing anymore—this is real. Not to worry though, when it's all over, you come clean about what you did, and she admits that you've given her exactly what she wanted, even though she's still kind of terrified of you. ***WARNING: This script contains some extreme forms of play—though everything is ultimate consensual, I've included the [rape] tag because it becomes super-questionable at certain points.***]

[PERFORMANCE NOTES: The girl in this story is both eager and reluctant. She's both terrified and ALL IN. She wants this experience. She wants to be controlled. She wants to be scared. She wants him to take over in dangerous ways, and he does exactly that. Ultimately, though, she is willfully submitting, and gets so caught up in her role that she doesn't even realize she was never drugged, and that the shock collar is more a device of fear than it is of pain. She's having exactly the kind of “fun” she sought out to have, and that includes some very intense play, including real blackmail threats in order to prevent her from backing out of it. She's a complicated girl, so walking that line between consent and nonconsent will likely be an important part of the performance.]

Hi. [nervous laugh]

Are you uhm... him?

You have the red baseball cap, and uhm...

You've got the black mask on that you told me about... so I guess it's you, huh?

Yeah. It's me... [giggle]

I guess I'm kinda hard to miss in this outfit. [giggle]

Should we introduce ourselves for real now? Or?

Oh.

Right... No names... Sorry.

[pause]

It's weird how the pandemic made it okay to wear a mask, you know? Like nobody thinks about it anymore, but... I know that's not why *you're* wearing it. [nervous giggle]

It's because you don't want me to see your face, right?

Wait... should I be wearing a mask, or?

No?

Oh... yeah, I guess that would... kinda defeat the purpose. [really nervous sigh]

[whispered] I can't believe I'm doing this...

Okay.

So, yeah....

When I talked to my friend about you, she said you were really... experienced? At this kinda thing?

Wow, this is really awkward. [nervous laugh]

You don't talk much, do you?

So...

I was surprised when I got here... This motel? It's kinda... run down, huh?

Kinda dirty? [nervous giggle]

Is this like... where you work? Is it *supposed* to be a little scary?

Cuz... [giggle] it's kinda working...

Do you have some kind of arrangement with the owner or something?

Some kind of discretion thing or...?

I'm sorry... no, I'm just nervous. [soft laugh]

You seem like... a pretty hardcore guy.

[back-peddling] Wait... What I mean is, my friend vouched for you and everything, so I'm not... worried.

[pause]

Or, I'm not *too* worried...

You know, I guess it makes sense... with what you do... this kind of... dark wish fulfilment thing? For you to be quiet and scary... Don't talk to the girls too much... don't get attached?

Makes it easier to...make us do things, right?

Things we're scared of?

Hm?

Just tell you what I want?

Well, I mean, we already went over this when we messaged... do I really have to— [cut off]

O-Ok... I understand. You want to be sure I'm not going to change my—

Sure. That makes sense. I'll tell you again then.

Uhm. This is really hard to say out loud.

And... I know this sounds totally stupid, and I must seem like, really dumb to you. But... I really think I want it. And even if I don't like it... I promise I won't make any trouble for you... you know?

I mean, I asked for it. [giggle]

I'm sorry-I'm sorry! Okay...

[nervous breath] Okay...

Here it is...

[deep breath again] So, you said you'd seen some Hentai, right?

Japanese animated porn...?

[nervous chuckle] Okay. Well, there's the softer stuff, with the cute girls and the nice guys and all that, and then there's the more... extreme stuff? And I'm kinda into that.

Like I don't like the really violent stuff, but ...

I really like it when they treat the girls really badly... like... humiliation? And, well they call it mind breaking...? And I also like extreme cum stuff too. Like demons that can just cum over and over and over, and... make a Hentai girl like... totally disgusting. I like that.

Anyway, have you... seen stuff like that?

You have? Oh, okay... [relieved giggle]

Yeah, I know the cum thing isn't really doable... maybe, but... there's other stuff.

Anyway, my friend said you might be able to like... help me. Like you wouldn't be afraid to make me do some of the things that other guys wouldn't, you know? Like... turn ME into one of those Hentai girls...

I mean, just for today, you know.

Just to try it... to see. Like... she said that you could maybe give me that experience... for real.

Like, there's all kinds of things you could do. Well, there's lots of stuff you couldn't do too. It would be... too dangerous and ... really illegal. [giggle]

I mean, I'd *really* like to get raped and inflated by a demon, but... you're not a demon.

I mean... not like that...

[nervous laugh] You know what I mean!

And besides inflation doesn't work that way... in real life... so... that's kind of a bummer...

Sorry! This is coming out wrong. [nervous laugh]

My point is there's other things you could do, like... well, I'm sure you have ideas. And I'm up for whatever, you know... but I had an idea too... if-if you want to hear it.

Well, I actually drank a whole lot of water before I came over. And I kinda have to pee. More than kinda actually. But that's one thing you could do...

[nervous] Control my pee?

Does that make sense?

I could pretend you drugged me... or... you're blackmailing me, and you could make me do things in this... filthy hotel room. [nervous laugh]

If that's not something you're into, I could just go to the bathroom real quick and we could do something else. It's just... I mean, I want it to be sexual, you know. I want it to be nasty, and humiliating.... But whatever it is, by the time it's over? I want you to mind-break me.

[breathing hard—turned on as she says this] I want you to make me cry. And then... I mean, if it's okay... I want you to fuck me...

You know what I mean? I want it to be kinda real... Not fake.

So uhm... di-did you see I dressed up for you?

I mean, I mentioned it before. This outfit is really embarrassing as it is, and you... you didn't even say anything. [nervous laugh]

Anyway, I bought this really tight hentai schoolgirl uniform online, with this really short skirt so you can see my panties underneath, just like a real hentai girl would look... only there's no camera pointed up under my butt or anything. [giggle]

And I dyed the tips of my hair...

See? Pink.

And I put it up into these really over the top pigtails.

I've been growing it out for a while so I could do this.

I did my makeup too... I've been practicing.

I looked at some internet tutorials, and I tried to make my eyes look really big, just like in the videos.

Do you think I did okay?

Am I cute?

Oh right, don't answer that. You're gonna... well you know what you're gonna do, and... you're probably gonna make me cry, so you don't want to get too attached, right?

Oh! I almost forgot!

I watch a LOT of hentai right? And I've been kinda trying to learn some Japanese. I'm still really terrible, but I memorized some phrases. [giggle]

I mean, I'm AWFUL at pronouncing it, but... I want to play the part, you know?

Like, uhm... [giggle] Nureteru? That means I'm really wet.

I am you know... [giggle]

I'm surprised you can't smell me—I mean... I can. [embarrassed laugh].

[heavy breathing] Doki doki suru... that means my heart is pounding...

But... I'm s'posed to be scared of you, right?

And I am....

So... are you ready? Do you need me to do anything else?

Ok... Well, I'm ready, I think. [soft laugh] What are you gonna make me do... senpai...?

Wait... what's this?

Drink it? But... what is it?

Is it okay if I don't? I told you I really have to go to the bathro—

Wait... [naughty giggle] Are you gonna drug me? For real?

Wow... okay.

No, that's okay, I mean. I'll still remember what happens, though, right? I won't pass out or anything?

[happily playing along] I'm sorry senpai, I'm being disrespectful, aren't I? I'm just a stupid girl. Of course, I'll drink it!

[she drinks]

Hey, that's really good!

All of it? [breath] Okay... whatever you say Senpai. [giggle]

[drinking a large amount]

[gasp] Wow! [giggle] That's really good!

Hey, is this one of those drugs that makes me super horny?! Cuz, I don't know if I can handle being any more horny!

Wait, what's this?

Is that a collar? Uhm... Wow, okay... [breathing hard]

What are you doing? Wait, does that say "slut" on it?

Uhm.... I don't.... think I... I mean. Yeah I guess... I guess it's okay. You can put it on me...

I know what I said, but... I'm not sure...

[breathing hard—nervous] Uhm...It's pretty tight, huh?

Does it look cute?

[breathing heavily – she’s scared]

[gasp] Oh... Oh my god... You’re touching me...

Wait wait, senpai?

Before you uhm... [giggle] start groping me, or you make me bend over this filthy bed or whatever you’re gonna do...

I really need to pee...

No. No, I changed my mind about that... I’ll just be right back, okay?

And then you can pinch me, or lick me, or fuck me or whatever you want to do and we can just... call it good, okay?

No, please let go of me. I know what I said, but—

I’m too scared now. You’re scaring me...

What’s that in your hand?

[panicking] oh my god... no no nono!

[OPTIONAL SFX: electrical buzzing sound, along with sudden gurgling, strained noises]

[gasp—panting] Oh, my god... is this a shock collar!?

[she’s shocked again... gurgling / half choking noises]

Wait! Wait... I can’t... I changed my mind. I made a mistake. I don’t want to be a Hentai girl anymore!

I mean you can keep the money and all, but I think... I think I’m gonna go, okay?

[gasp] Wait... no I told you I don’t want to... Can you let go of me, please?

Cold feet? No, I just changed my mind! I’m allowed to change my mind, right?

Can you take this off, please?

Huh?

What about my dad?

Wait... how do you know who my dad is?

Tell him what?!

No! You can't do that! I'm his... perfect, precious daughter. He would be devastated to hear I paid for someone to... uhm... treat me like some stupid animated porn girl...

Oh my god.

No! I was saying I would pretend! This is role-playing! I don't want to *really* be blackmailed!

[chock collar goes off – gurgling choking/buzzing sound]

[IMPORTANT NOTE: the shock collar is NOT torture... this is fear. It's actually not that bad (as we'll see later) but she *thinks* it is right now because she's so scared. The is actually EXACTLY what she wants, and it should play as though she is starting to embrace the situation, rather than a REAL protest and desire to leave. He is NOT forcing her.]

Wait wait! Stop! You don't have to do shock me... or threaten me... I'll do what you want, okay?

Okay, but I'm going to do what you say, so... we can just pretend. You don't have to make... scary threats like that.

Just, please take off the collar and let me go to the bathroom. And then I'll do whatever you want, okay?

You can fuck me however you want... okay?

Please! I'm starting to feel ... strange... and I don't really—

[gasps] Oh my god, you're sticking your finger in me...

Ooohhh...

[moaning as he gropes her] [panting]

Nureteru... [whispered] I'm so wet...

Oh, senpai! [breathing hard]

Okay okay... I'll do whatever you want, just... just don't tell my dad, okay? [panting]

What?

Going where?

To the park!?! You mean outside?!

But... no, I can't! Please senpai, I just want—[interrupted]

[he shocks her again – strained convulsing sounds]

[Panting] No, I'm sorry! I'll be good... Just stop shocking me!

Oh, god your fingers. [OPTIONAL SFX: Wet sounds] Nureteru... You really did drug me, huh?

I can't believe I'm so stupid....[panting and breathing] Oh my god...

Ohhh... [whining] It feels so good!

Yes... Okay... [heavy breath] Okay, I'll go to the park with you... I'll be good...

[panting] Okat.... [OPTIONAL SFX – door opens as he leads her out on a leash – sounds of cars going by.... Maybe indistinct people talking]

Oh my god.... I'm scared...

[shaky breathing – she's very very nervous] Over there?

Oh... I see it.

Senpai... Please don't make me do this...

Because... Hazukashii...

[whispered] it's embarrassing....

Please... I'm not gonna be able to hold it—

[whispered] Senpai, there are lots of people around... please... can we go back to the motel?

Please? You can fuck me, okay? Any way you want.

You made your point... I'll be good... Can't I just pee on the floor in the hotel room?

[distressed groan] I don't want to sit on the bench, I want to go back to the motel.

Please senpai... take me back...

I'm scared...

I don't want this... I'm sorry I had the idea... PLEASE take me back.

I drank like two quarts of water before I came here, because I was... stupid... and excited... and I didn't know what I was doing.

Please... someone's going to figure out what's going on, and ... you'll get in trouble.

No, I'm not threatening you... I just... Please... I can't hold it anymore... My legs are cramping...

No no... no, don't do that— [interrupted]

[shocker collar goes off –gurgling crying, strained]

Oh no.... I'm gonna pee... [sobbing]

[OPTIONAL SFX: dull sound of her peeing—tricky I know—if you don't feel you can do it, that's why it's optional :)]

Oh god... please don't tell my dad about this...

[shocker collar goes off again -- as she cries and pees herself and all over the grass]

[sobbing] Oh god... [OPTIONAL SFX: More free flow of pee now]

[sniff] hazukashii...

[whispered to herself] Sorry dad...

I don't know why I'm like this...

I'm disgusting...

[quietly crying]

You know what? I changed my mind... I think... you really are a demon.

Oh God, it's so humiliating...

No, no wait—!

[shocker collar goes off – strained gurgling]

[panting-recovering] Oh my god... my panties are soaked...

I'm so dirty. Oh god...

[OPTIONAL SFX: Finishes peeing]

I'm bad.

And I'm sooo horny....

Is this how I'm s'posed to feel? All loopy because of the drugs you gave me?

Senpai, I'm confused...

I can't... I can't think...

I'm so embarrassed...

[sniff] Can you take me back now, please?

Someone's going to see.... Please?

Yes, you can do whatever you want to me...

Whatever you want, I just... I don't want to be here anymore.

Oh, thank you... Yes, I'll stand up... I'll be good...

Whoa... I'm all dizzy...

Hold on to me. Please? I'm gonna fall...

Thank you, senpai.

[pause as they walk]

{whispered} Hurry up, hurry up... There's pee running down my legs...

[pause as they walk]

[Whispered] Oh no...

[Normal voice—trying her best to keep it together] Oh, hi...

Oh, no I'm okay... [giggle] just... I got a little dizzy there.

I guess it's the sun?

[a little slurred] No, I'm okay. My senpai—I mean... my dad... I mean... uhm... this guy. He's taking care of me. We have a hotel room, just over there... [giggle] I'm fine....

Wh-what smell? [giggle]

[slurred] I don't smell anything...

[lightly grunts as he jerks her arm] Oh, I guess we're going now... bye!

[shaky breathing as she mumbles] I don't think she believed me...

[whispered] Hazukashii...

Hurry up and open the door, please.

[OPTIONAL SFX: Door unlocks and opens – then closes]

Do you want to fuck me now?

Please?

No you win... you're in control... I'll do whatever you want.

Fuck me, senpai... [panting—desperate] Fuck me and shock me....

[breathing heavily] I want you cum...I want all your demon cum senpai...

Bend over on the bed? Yes sir...

Fuck me... [he penetrates her. She grunts in rhythm with OPTIONAL wet sounds]

My pussy's so dirty... [grunting]

Fuck me...

I'm only good for you senpai... [moan, grunting thrusts]

Hayaku – that means faster...

Fukaku – deeper!

I love your cock!

[grunting, and exaggerated moaning—OPTIONAL drooling sounds]

I feel your big dick inside me...

I'm a disgusting girl...

I'm stupid...

Motto... Motto!

Gimmie all your demon cum in my pussy!

Oh... I'm gonna cum too...

[she cums – doing her best to play the part of a highly sensitive mind-broken hentai girl—drooling... moaning, etc—but her orgasm is real and intense-- OPTIONAL improv a few seconds]

[gasp] Oh.... Oh my god...

That was.... A lot...

Yep, I've decided... you're definitely a demon. [slurred giggle]

[Breathing recovering]

My heart's still going crazy... [giggle]

[clearer speech... still under the influence, but not as out of it as she pretended]

God... [panting, recovering]

I can't believe you made me do that...

Yeah... well... at first, I was really scared [laugh], but... then I started playing a long a little... you know...

I wanted to make it real. [giggle]

You know how sometimes if you pretend it's real... and can become real....

And what you made me do in the park? That was hard core... like... I really did cry. I wasn't pretending!
[giggle]

These drugs you gave me are really good though!

It's just like... Woooo... [giggle] Okay...

What? What do you mean?

There were no drugs?

No way...

So... I did that to myself then?

Wow...

Well, I know this collar is real! [laugh]

Uhm... Now that I mention it... Can... can you take this off now, please...

No, it was fine... I mean it was terrifying at first, but once you shocked me a couple times, I kinda got used to it. It was actually.... pretty cool.

It didn't really hurt it was more like.... Just *really* humiliating you know? Getting shocked like a dog... and then you using it on me while I was trying not to pee? Like... that was genius! [giggle]

It's just so... degrading, you know?

It was perfect!

But I don't want it to go off, while I'm... like, not horny anymore, you know?

So... can you take it off?

Please? It's scaring me...

[mousy] Senpai? [nervous giggle]

[OPTIONAL SFX: collar is removed]

[sigh of relief] Thank you...

[breathing in silence for a couple seconds]

Wow...

What...?

No! I'm okay...

It's just...

[pause]

Look... I know this was just a game and stuff, and maybe I'm breaking the whole mood but, uhm... but... I just want to make sure.

You're not really gonna tell my dad about all this... right?

[relieved] Okay... good. I didn't think so... it's just... that part was... really scary. He wouldn't... he wouldn't understand...

No, I know... I wanted it to be real, and... well... you made it real so... [giggle]

My friend was right about you...

You don't take no for an answer... do you?

Hey, wait... Did *you* enjoy it? Or...?

I mean, you came... *a lot*... I mean it's kinda leaking out of me now. [giggle] So... that must have felt good, right?

No, I know I paid you, but I wanna know. [earnest] Did I make you feel good?

Yay! Good!

Oh, I'm so glad! I wanted to be a really good Hentai girl.

No, really! It was kinda perfect.

Most guys... they would never be able to do something like this...

Oh yeah, I guess we better go... I really need a shower, though.

I mean, I don't want to take a shower in there, but... what else am I gonna do? Walk home with with pee and cum all over me?

I guess I'll throw these panties away...

Hey, do you want them?!

[laugh] You do!? I mean, I guess that's okay! I'll just stick them in a washcloth or something. [bashful giggle]

[pause]

Hey...

I know this is your job and all... but thanks...

Thanks for breaking me...

I'm still scared of you, you know... but...

Ah to heck with it.

[kisses him on the cheek]

I know I know... You don't want to get too attached...

Sorry. [giggle]

No, I'll be fine! If anyone outside asks, I'll tell them everything's okay...

You might want to keep that mask on though, just in case. [giggle] Until... you know, you're out of the area?

What am I saying, you know what you're doing. [soft laugh]

Okay, bye, Senpai!

[affectionate] Bye.
